Welcome to CCJ- Y2 Newsletter no.1

Hello and a very big welcome to the first of our Y2 newsletters. We are really delighted that you will be joining our community from September and it is also so lovely to see many families who already know us returning again! We will be aiming to send these short 1 page newsletters out every couple of weeks to share a bit more information with you each time so that it is not too much at once but you have the information you need. You'll hear from the three year three teachers, Mr Debley, Mrs Knott and

Mr Kennedy as well as other key staff such as Mrs Groves, our SENCO. Mrs Osborne (Head)
