### A People who Hope in Christ (Part 2)

Our faith is expressed powerfully and beautifully through 'seeing, touching, and tasting.' We know that every bishop and every priest recognise the pain of Catholics who, at present, cannot pray in church or receive the sacraments. We thank you sincerely for your love for the Lord Jesus, present in the sacraments and supremely so in the Holy sacrifice of the Mass. The bishops and priests of every diocese are remembering you and your loved ones at Mass each day in our churches as we pray 'in hope of health and well-being.'

As the Government's restrictions are relaxed step by step, we look forward to opening our churches and resuming our liturgical, spiritual, catechetical and pastoral life step by step. This will also be of service to those beyond the Catholic Church who depend on our charitable activity and outreach through which much goodness is shared by so many volunteers from our communities.

None of us knows, as yet, how or when the lockdown will end. There is likely to be a phased return to travelling and gathering. As a church, we are now planning for this time and our discussions with the statutory public health agencies and Government representatives are ongoing. Together with Catholics across England and Wales we desire the opening of our churches and access to the sacraments. Until then, we are continuing to pray and prepare. On that first Easter day, the disciples were in lockdown and the doors were closed. In their isolation the Lord Jesus came among them and said 'Peace be with you.' May the peace of the risen Lord reign in our hearts and homes as we look forward to the day, we can enter church again and gather around the altar to offer together the Sacrifice of Praise. We unite in asking the intercession of Our Blessed Lady and assure you of our prayers and blessing.
