COVID 19 – PARTIAL RETURN TO SCHOOL

Thank you once again for responding to the survey this week. I do hope that you have all seen the results of this and the accompanying notes that came out on Wednesday. If not please look under the newsletter section on the website as a link has been posted there. I will be writing out to Reception and Year 1 on Friday or Saturday of next week to let you know 'concrete' plans for the following week. If, and when children do return to school we will be having grab bags for the rest of this term. The menu for this is attached to the email.

HOME LEARNING

There will be no new learning this week as it is Half-Term. This will give those that have been struggling a small window to catch up – we will also leave all the home learning on the website throughout the summer, so you can re-cap or do some of the things you have not had time to do so far during the six-week break. We have attached a 'Premier League Primary Stars' information sheet to this Newsletter, it may be of interest to some of our Football fans! I do hope that the weather is kind to us and we can get out in our gardens (and parks at an acceptable distance). There will be no newsletter next week because it is half-term, and I shall not be checking for Lexia or Symphony Maths minutes until the 5th June – I am waiting to be 'impressed', take care and be kind to one another in these very challenging times. God Bless love Mrs Todd.

OTHER FAITH WEEK

The first week back after half term is Other Faith Week in RE and home learning we set will be based around the other faith each class studies.

Reception – Hinduism

Years 1, 4 and 6 – Judaism

Years 2 and 5 – Islam

Year 3 – Sikhism

YEAR 6

Year 6 led by Finlay and his Mum, have put together and excellent end of year leaving video. We have tweeted it – put it on the website and here is the link <https://www.sspeterandpaulyeaddon.co.uk/downloadfile/14573717>. (I know they are not leaving yet but perhaps they did not want to be 'outdone' by Year 1). It is a lovely thing and I am sure it will bring a smile to all your faces, it is amazing how the children have grown and the use of class photo's really does plot their journey through Ss Peter and Pauls.

YEAR 6 BOYS.....Mrs Ripley wanted to show you how well your garden is doing! It must be all the sunshine we have had! We will continue to take care of it until we see you again!

PHOTOGRAPHS

Luca (3) has enjoyed his Science project. He has been observing 2 plants and dissecting a flower! Well done Luca.

Freddie (1) has been forecasting the weather – looking very smart there Freddie!

Finlay (6) made a newspaper similar to how they would have looked back on VE day! Very authentic Finlay!

Eva (2) has had fun with science experiments! She used vegetable oil, and alka seltzer and food colouring to make a volcano effect! That's great Eva!

James (3) has learnt the parts of a flower and labelled it up beautifully! He has also dissected a flower! Great work James!

Henry (5) has been busy with his science experiments whilst little sister Esabella (1) has been showcasing which clothes she would take on holiday with her! Fantastic work both of you!

James (1) has made a daffodil from card and pipe cleaners and labelled all the parts! That's fantastic James!

Jacob (3) has made his own Egyptian top trumps cards and used face time to try them out! How imaginative well done!

Phoebe (3) has been making her own scented bath bombs as part of her science work! I bet they were great at bath time Phoebe!

Leonardo (2) has done some fantastic RE work! Well done Leonardo, that looks great!

Isabella and Charles (1) have been working hard on their RE and Geography projects – well done both of you, they look great!

Charlotte (3) has also been working hard on her topics over the last week! These look fantastic Charlotte – keep up the hard work!

Daniel (2) looks super happy with his VE report – and so you should be Daniel that looks really good and very informative!

Oisín (6) has been working on his origami skills! This is called Tatogami! This is great Oisín, you will have to teach us if we get back to school!

Struan (3) has made a lovely picture for Mr Costa which says 'YOU ROCK!'! What a lovely gesture Struan!

Emily (6) has been learning about the Kingdom Values – your poster looks fab Emily, well

Poppy (3) has been working hard on her topic, Egyptian Gods. Fantastic drawing Poppy!

Chloe (3) has been learning about Plants and has made a Ballerina dress from flower petals! That looks amazing Chloe!

So what have we been up to in school.....?

We have been doing many different things in school this week. Our favourite things have been making bughouses from different craft materials, and snail racing! Take a look below.....
