'I have come so you might have life-life in all its fullness' John 10-10

Friday, 22 May 2020

Dear Parents and Carers,

Thank you for your patience while we waited for further information on reopening of the school – the government has now published more guidance and from this we have worked on a full risk assessment and procedures for minimising the risk of the transmission of the virus when the children start returning to school.

As a Trust, we have decided to re-open for certain year groups on a phased return from 1st June 2020 **IF** Government plans do not change. If your child is in Reception (Rainbows), Year 1 (Red Class) or Year 6 (Purple Class) you will receive a letter in the post shortly based on your decision to either continue home learning or send your child back to school.

For children in Nursery, Year 2 (Orange Class), Year 3 (Yellow Class), Year 4 (Green) and Year 5 (Blue Class) then online home learning will continue to be available on their class pages on our school website.

We will be available for our keyworker/vulnerable children from 1st June as usual. Please contact the school office if you have any queries on this.

The contributions to our school website have been amazing and we have loved seeing how you have all been supporting each other and making the most of the time at home.

I would like to take this opportunity to thank you all for your support and generosity that you have shown our school community during this difficult time. Also, the support we have had from Revd. Joel who has been coming into school to support the children and staff both mentally and spiritually. Please visit the home worship section on our website to keep up-to-date with Revd. Joel.

As you are aware this is an ever changing situation and rest assured I will keep you up-to-date as and when information becomes available.

*Dear God,
Heal the world's sorrows
Dry the world's tears
Calm the world's worries
End the world's fears.*

Stay safe,

Ms L Jobling
Headteacher
