

FLORA NEWS

Ms Owolabi would like to say a massive thank you to all the Nursery children for sending her so many fantastic photos of their home learning and really engaging in the work. Also for tuning in to her phonics and reading YouTube videos.
Value Award Winner: the Whole Class! Well Done, Nursery!

Reception have been busy this week, learning how to write sentences, subtract numbers, as well as carrying out some science experiments. They have also been learning about 'people who help us!' To celebrate the end of their learning this half term they had a fancy dress/funky hairstyle Zoom party where they played 'Go Fetch' and 'Musical Statues!'
Value Award Winner: Victor

Year 1 created fox dens based on their learning about The Fox and the Star. The children learnt about habitats, diet and the appearance of foxes in order to write fact files and used this information to create their dens!
Value Award Winners: Loaira and Alioune

Try to be a rainbow in someone elses cloud - Maya Angelou

Year 2 had a Teddy Bears' Picnic this week for their Zoom call! They all brought along a cuddly toy and discussed why they were their favourite. Some children showed their teddy bears that they have had since they were a baby and some even showed the teddy bears their parents had as a baby. Wow! Thank you to everyone who has been joining. It makes us all so happy!

Value Award Winners: Duarte for last week and Ianis for this week

Year 3 have been very busy. They were completing the postcard challenge. Mr Carter asked Year 3 to research, design, create, and write their own postcards. Here are just a few of the postcards that have been sent in.

Award Winner: Ioana

Year 4 continue to blow Mrs Grippman away with all the amazing extra curricular activities. She has seen children growing broccoli and cress, build rocket ships from cardboard, conduct their own science experiments in their living rooms and so much more. Have a look below at the Lego model of the Year 4 classroom built by Eloise. Mrs Grippman is in the top corner facing the computer and Mr Naismith & Mr Finney are there too on the left front corner! Below is photo of a frozen nature egg; Odri used egg shell, things from nature and water, popped it in the freezer and then peeled it off. She had so much fun exploring and for that reason she is Mrs Grippman's value award winner!

Value Award Winners: Maddie and Odri

Try to be a rainbow in someone elses cloud - Maya Angelou

Last week's Value Award Winner was Suhaila. She amazed Mrs Sultan with her cooking skills and how she related everything back to maths and fractions! This week's Value Award Winner is Bruno. He has been making an excellent effort in completing all his work set by Mrs Sultan and she has enjoyed marking it!

Suhaila

Year 6 really enjoyed their Zoom quiz this week. The Y6 team were particularly impressed with David and Waheed's general knowledge. Well done boys! As always, it was lovely to see you all. This week Mrs Aseratti and Ms Woodcock have been really inspired with the amount of children completing their home learning. Ebonye has been working extremely hard with her home learning. Below is an example of her work alongside some English work from Kayden and Talha. We are sending Kayden a book prize this week as he has completed the most work and is always consistent.

Value Award Winners: Bobbi for last week and Ebonye for this week!

Kayden

Talha

THROUGH THE DOORWAY

Dear diary,
It's Bob again my friend and I decided it was time to go into the haunted house that everyone had been spreading myths about. I personally don't believe that ghosts are a thing, at least that's what I thought... I first discovered they were real when we entered number 64 in shepherds bush. Albert and I decided it was time to go in little did we know we were entering a crocodiles mouth. The house looked deserted and antique looking everywhere had dust and debris all over. Whilst we were exploring I found that Albert had gone missing! I searched everywhere I couldn't find him, in the corner of my eye I saw his face. I heard a muffled voice saying wake up! Wake up! I looked around me and all it was a nightmare.

Ebonye

Ms Woodcock was very impressed with the story written last week by Alaa in Year 2. Congratulations, you are Ms Woodcock's competition winner this week! You will be receiving a book in the post very shortly.
