**RE: Paris Trip 2020**

Dear Parent / Guardian,

I am writing to provide you with an update in relation to our Paris trip. I realise that many of you will be concerned regarding what will happen in light of the trip being cancelled.

At this stage, the trip has not been 'officially' cancelled. You will be aware that to cancel a trip before the departure date is a 'personal choice' and therefore there is no possibility of any refund under the banner of Covid-19 disruption.

When the trip is cancelled, and we do feel this will be the case, the travel company can then go about making arrangements for as much of a refund as is possible.

At the moment we have no idea when or how this will come about, but we will keep you posted with regards to any developments. The three Principals; Bessbrook, Bleary and Mountnorris are all working with *Mark Rodgers Travel* to ensure the best outcome for the schools in this situation.

Given the impact of this global pandemic, you can imagine there will be a lengthy process regarding refunds of money and we can therefore put no guaranteed date on when this will happen.

We are all disappointed by the cancelling of our trip to Paris and Disneyland; we know it was going to be a highlight for so many.

As we receive further updates, we will pass these on to you.

Yours Sincerely,

Mr Andrew Frizzell
