

Year 2 Weekly Learning – W/C – 1st June 2020

Here are the weekly activity suggestions which link to things we would usually be learning this week in school. These can also be supplemented with other activities given on the school website. Please do what you can when you can and don't feel pressure to complete everything every day. This is simply a guide to help add some routine to your day – do what works best for your child and family circumstances. Again, please be reassured that when we return to school we will be focussing on your individual child's needs and tailoring additional support specifically to this.

Phonics/Spelling

This week's spellings focus on adding the suffix 'ful' and 'ment'. They are: playful, careful, beautiful, useful, wonderful, colourful, helpful, treatment, amazement and careful.

This week's phonic focus is adding suffixes to make nouns. There are videos and activities to support this learning on Espresso:

https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item910813/grade1/module910304/collection910346/section911022/index.html

Additional games to support phonics can be found on Phonics Play -
<https://new.phonicsplay.co.uk>

English

BBC Bitesize provides varied and interesting activities each day that are supported with video clips - <https://www.bbc.co.uk/bitesize>

Keep encouraging your child to read. Alternative online sources can be found at:

<https://www.storylineonline.net/>

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Maths

Two options for daily maths activities are available to choose from. Both have slideshows or videos to watch and complete each day. Remember you can use the little maths book we sent home to write the answers in.

Whiterose Maths – <https://whiterosemaths.com/homelearning/>

The worksheets to accompany the Whiterose Maths can be found on the Home Learning page on our website <https://www.driffieldnorthfieldinfants.co.uk/learning-from-home>
Or BBC Bitesize - <https://www.bbc.co.uk/bitesize>

If you want to find other maths games to help you remember maths facts and practise what you know, visit Topmarks Maths for 5-7year olds. You can choose any category and any game.

Topmarks Maths - <https://www.topmarks.co.uk/maths-games/5-7-years>

Topic/Science/RE

This week we can find out about Mohandas Gandhi, Rio de Janeiro and packaging.

Lessons can be found at:
