2nd June 2020

Dear Parents

We have welcomed back Nursery, Reception, Year 1 and Year 6 Group A pupils this week and we look forward to doing the same for Group B children on 8th June. School life is different with classrooms having less furniture and equipment in alongside fewer children in each setting. We are continuing to review and update our school risk assessments following any further information received from the Government. Any changes to the advice will be shared with parents.

Please note that the decision to allow pupils in Y2,3,4 and 5 to return to school from 15th June is dependent upon the school receiving further instruction from the Government. If we are able to accept children in these year groups, we will inform parents as soon as possible.

For parents of children in Nursery, Reception, Year 1 and Year 6, if you decided initially not to send your child back to school on their allocated week and you have changed your mind please can we politely request that you inform school of this change. In this way, we will be able to ensure our capacity in classrooms can be met.

It is lovely to have the school filled with more children's voices and energy and we look forward to this continuing in the days and weeks to come.

September - Nursery and Reception New Pupils

Information regarding transition and induction for these year groups will be shared on our school website in the next two weeks - Please look out for this information under the admissions section of the school website. We look forward to welcoming our new children to school albeit virtually!

Website and children working from home

Teachers will continue to plan work for those children working from home. This will be uploaded to the website under the classes (volcano picture) or about us - classes from the main menu. Please continue to complete this work with your child at home - it will be similar to work completed in school but may not be exactly the same.

Accessing class work from home

On a laptop/PC - on the page under explore our website click on classes (volcano picture). Classes is displayed on the right hand side of the screen. Click the arrow.

On a phone - click on MENU at the top of your screen, this will present you with a drop down list. Click on the arrow next to about us, then classes appears. Click on the arrow next to classes and you will see a list of year groups. Click on the arrow next to the year group you want to access. This will then show you working from home. See the Year 3 example.

Father Hudson's

Our annual fundraising was unfortunately curtailed due to lockdown. We have raised just short of £500. If you have any Father Hudson money boxes at home we would ask that these be sent into school when your child returns.
