Welcome Back!

I hope you are safe and well and managed to have a lovely half term and were able to make the most of the glorious weather!

We welcomed our Reception children back into school this morning, alongside our key worker children. They were absolutely fantastic and followed our new rules perfectly. Thank you parents for preparing them so well! Thank you too for following our rules dropping your children off—you were fantastic too!

We look forward to welcoming Year One on Monday and Year Six next Wednesday. Just to remind you that Home Learning Blogs will be continuing as usual, but may look a little different, with different staff responding to them and preparing them. The majority of staff are now back in school and teaching in some form.
