

Children's Guide - Coming back to school

1. Soon some children will be coming back to school. When you come back to school things will be a bit different.

2. You may not be with all of your class. You will be in a group with some children from your class, a teacher and a teaching assistant - this will be your bubble.

3. This team will be together each day that you are in school.
Remember all of the adults in school are people you already know.

The grown ups know that you are in their bubble and are looking forward to working with you.

4. Your bubble will be based in one of the classrooms and it will be your bubble's room. The classrooms will look a bit different - the tables will be spaced out, there won't be lots of cushions or soft toys around.

5. You will have your own pack that includes a pencil, pen, whiteboard and rubber and some books - you won't have to share!

6. Everybody will be having their lunches at lunch times as usual.

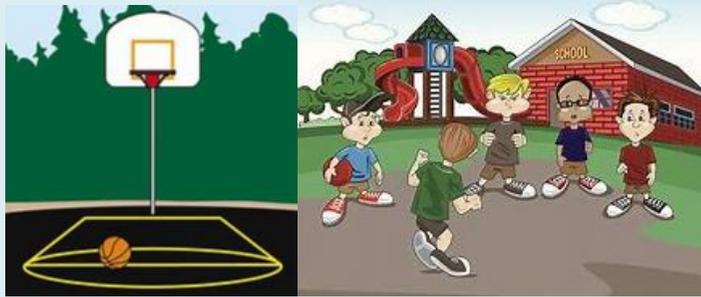

You might eat in a different room to normal.

7. You will not need to wear uniform, but will need to wear clean clothes every day. Your grown ups at home are going to try to keep this as your normal uniform.

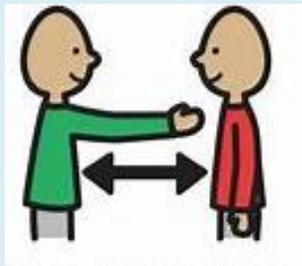

8. You will still get to go outside for lots of exercise and every team has it's own area to work and play in. This may be at different times than you are used to.

9. Because there is a virus around we will be washing our hands a lot more to help keep everyone safe. Each bubble will be told which toilets and sinks to use so there is less chance of germs spreading.

10. It will be lovely to be back in school and see our friends again, but we must remember to try to keep a little bit away from each other. We can still be friends even if we don't touch.

11. We know everyone is a little bit nervous about coming back to school. Your teachers and all the adults in school are really looking forward to seeing you and we can all help each other keep safe whilst we are learning.
