

## Newsletter

Friday 5<sup>th</sup> June 2020

Dear Parents,

I hope that this newsletter finds you all safe and well.

Whilst it has been fantastic to see more children returning to school and we are slowly getting used to the 'new norm' we really hope that we will be back to 'pre-lockdown normality' very soon. We really miss **ALL** of the children and having **ALL** of the staff in school.

I would like to say a very, very, big thank you to all of the parents who have been bringing their children to school this week as you have all been so respectful of the social distancing measures which we have put in place. Thank you.

Thank you also for dropping off books in the box at the front entrance. If you have any school books at home please return them so that our stocks are replenished for September.

It has been really upsetting to see the events unfold in the USA this week as a result of the tragic murder of George Floyd. We are proud that our school serves a diverse community and we are constantly evolving our curriculum as we better understand how to celebrate diversity.

It is a perfect time to talk with your children about diversity, white privilege and anti-racism and there are many age- appropriate books to share with your children which could spark meaningful conversations.

- All are welcome – Alexandra Penfold
- Every child a song- Nicola Davies
- Amazing Grace –Mary Hoffman
- Julian is a Mermaid- Jessica Love

Next week's learning project which focusses on 'Music' has been uploaded to the website and I hope the children you have been watching the daily assemblies as they have in school.

Please remember if you would like your child to return to school in the coming weeks we do need at least 1 weeks' notice as we need to ensure that we have enough staff and space to accommodate more children in their 'bubbles' of 15.

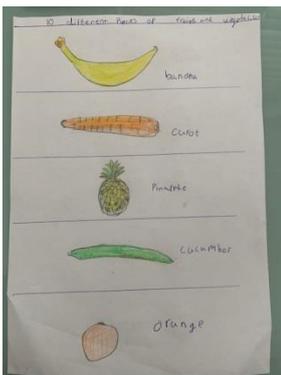

Enjoy the weekend; let's hope that the sunny weather returns very soon.

Take care,

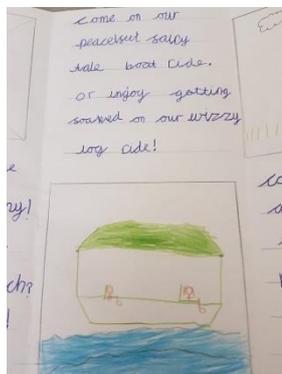

Mrs O'Connell

Headteacher

s week's home learning

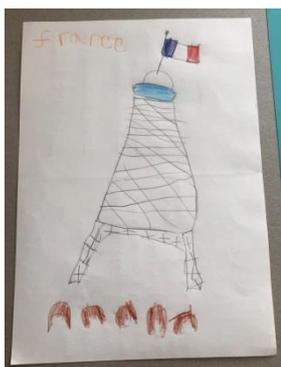

Paris' Around the World Home learning

Tilly's Aound the World work focussing on Disneyland Paris and Great Yarmouth

Taha and his brother have completed some lovely 'Around the World' work and completed some work with a very important message.

Kara made a fantastic postcard laminated it and delivered it to school. I was able to spray it with anti-bacterial spray and it was shared with her classmates.
