Dear Parent/Carer

## **Re-Opening of School**

As you know, we are following the guidance from Liverpool Local Authority with regards to the re-opening of school. The guidance indicates that Year 2 children may return to school on Monday 29<sup>th</sup> June, and we are currently preparing the school for this eventuality.

We have, this week, been contacting parents to find out whether – if this current guidance were to go ahead – they would want their child to return to school, or not.

This guidance is dependent on public health indicators such as the 'R' factor and the availability of the 'track and trace system' being in place. This will be reviewed again by the LA on 22<sup>nd</sup> June, and we will be able to update you on any new developments/decisions made at that time.

A reminder that, until the children do return to school, our home-schooling activities are available for the children to access through the Seesaw App. It has been lovely to see the lovely things the children have been doing at home to continue with their learning during these very difficult times. For all you mums/dads/carers at home – well done you for being such fab teachers!

Kind regards

Mrs Melia/Miss Suffield  
Headteacher
