

# Eastlands Primary School

June 2020

## Hello to all our families,

### Important information about reopening:

- ◆ Group 1— will return to school on June 15th and attend school on the weeks beginning: **15/06/2020 (Mon-Thurs) 29/06/2020 (Mon-Thurs)**
- ◆ Group 2- will return to school on June 22nd and attend school on the weeks beginning: **22/06/2020, (Mon-Thurs) 06/07/2020 (Mon-Thurs)**
- ◆ **All Year 6 will be in from 15th June ( Mon—Thurs)**

The government are making decisions currently on whether to open schools to year 2,3,4 & 5 in the coming weeks. We are hoping to open to other year groups (depending on staff well being).

I hope that:-

- ◆ Year 2, 3, 4 & 5 will be able to come into school, in groups of no more than 15, from **29.6.20 onwards They will be allocated to group 1 & group 2 with their siblings.**
- ◆ Week beginning 13.7.20 **will be a transition week** - this is still to be planned in detail.
- ◆ The hope is that all children will be able to come in, albeit for a short amount of time, this side of the summer break as school does look and feel different.

**Again this is all depends on the latest advice that is made available to schools and the situation may change.**

You asked:-

⇒ What will happen if there is a confirmed case or coronavirus at school?

*'When a child, young person or staff member develops symptoms compatible with coronavirus (COVID-19), they should be sent home and advised to self-isolate for 7 days. Their fellow household members should self-isolate for 14 days. All staff and students will have access to a test if they display symptoms of coronavirus (COVID-19).*

*Where the child, young person or staff member tests positive, the rest of their class/group within their childcare or education setting should be sent home and advised to self-isolate for 14 days. The other household members of that wider class/group do not need to self-isolate unless the child, young person or staff member they live with in that group subsequently develops symptoms.* <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers/reopening-schools-and-other-educational-settings-from-1-june>.

⇒ The local authority will inform the school if there is a local spike in cases.

⇒ I have attached the key information from the previous newsletters.
