## STOCKINGFORD STORIES

Dear Parents/Carers,

After a lot of hard work by the fantastic pupils at our school, Stockingford Stories has been published and our proof copies have arrived! We had over 40 stories and poems submitted (and even more jokes) written and illustrated by children from Reception all the way up to Year 6. Mrs Bowser has been enjoying reading the work of our talented writers and featured one of the stories in her assembly last week. We are buying copies as a school for the school library and classes but it is also available for parents/carers to purchase via SIMS Pay.

The paperback book is 128 pages long and is available with colour or black & white pictures (please note that both versions will have a colourful front page).

- Stockingford Stories in Colour is £6.50.
- Stockingford Stories in Black & White is £4.50.

As we are seeking to reduce the use of cash within school we are asking that all orders are placed via SIMS Pay. You can order more than one copy if you wish.

We will be putting the next order in for books on 26<sup>th</sup> June 2020. As our book is printed on demand please allow several weeks for printing and delivery after this date. To save on postage all books will be delivered to school and distributed out from there.

Thanks,

Mrs Ridge
