School Update

We have now welcomed Reception, Year One and Year Six back into school. Thank you to everyone for your support in making this happen so smoothly, it is greatly appreciated.

If your child is feeling unwell at all, even if it is not Covid-19 related, please can we ask that you keep your child at home. We need to make sure that everyone in school remains well. Thank you.

The government have now announced that other year groups will not be expected to return to school before September at the earliest. We at Netherthong will not be able to accommodate any more year groups at the moment. We will, of course, keep you updated.

Home Learning

Our online Home Learning blogs are continuing for all children who are not in school. Please do keep posting your work and comments.

We appreciate how difficult it is to motivate and keep your child engaged with their school work as you juggle learning with working and home life, and understand that children may be frustrated that they can't return to school when friends have. If you need any support please do ring us in school or have a look at the Home Learning Info for Parents on the website for some excellent support from various organisations.

Safeguarding

The safeguarding of your children is always our highest priority, and continues to be so in the current situation for both children who have returned to school and those who have not.

To remind you; if you do have a concern about a child, our Designated Safeguarding Lead is Miss Rooney Kelly and in her absence Mrs Emma Barker and Mrs Alyson Lindley. Please contact them through the school office or emails.

If the matter is of an urgent, serious nature please contact Kirklees Safeguarding Partnership on 0484 456848 or the police on 999.

Please also do take a look at 'Safeguarding' on the school website.
