Dear Parents/Carers,

Year 6 Leavers' Activities

Usually at this point of the year children in Year 6 would be looking forward to their end of year activities. We are still aiming to provide them with the closure from their time at Stockingford Academy that they deserve, but obviously things will be a little different. Your support of your Year 6 child this year has been fantastic, and we ask that this will continue over the next few weeks in order to make their memories as special as possible.

As with other years, we are planning on still having the following:

- A Leavers' Production (this will be a pre-recorded video)
- Leavers' Awards
- Year 6 Disco (virtual party)

We will make further details available when possible.

In order for your child to partake in the above, we would like you to return the slip below indicating your permission for video footage or photographs to be used. It is most likely that they will be published on the school Facebook site and/or YouTube.

Once again, thank you for your continuous support.

Kind Regards

The Year 6 Team
