

TUPTON PRIMARY & NURSERY ACADEMY™

11th June 2020

Dear parents and carers

Under normal circumstances I would have written to you already about September and the classes for next school year. I am going to share with you the plans for next year but please remember that we do not know what the return to school in September will look like, so these are based on school opening in September as normal and that might not happen. I will, of course, let you know as soon as I can how school will be running in September.

First of all, I have some sad news to share with you. Miss Dale will be leaving us at the end of this term. Miss Dale is moving to Leeds and has a new job at a school in the city. I am sure that you will join me in wishing her all the best in her new job. Miss Dale has been a real asset to our school and we will miss her very much, the children in Leeds are very lucky to be getting such a wonderful teacher.

Another change for September is that Mrs McNeill will be on maternity leave for most of the year. We are very excited about meeting Baby McNeill and wish Mr & Mrs McNeill all the best with their new addition to the family.

This has meant that we have appointed two new teachers who will be joining the Tupton family from September. Mrs Rachael Jarvis and Miss Kate Green will join the teaching team and we very much look forward to working with them.

Mrs Atkinson has returned from her maternity leave last week and will be in school one day a week and will continue her role as SENDco.

Some of our classes are going to be based in a different classroom and some teachers are changing the year group that they teach.

The table on the next page explains which teachers will be in which year groups and where the classrooms will be located.

Mrs Elliott will cover PPA in the mornings and run interventions in the afternoons			

As I said at the start of this letter, this is based on school starting in September as it would normally. We do not yet know if this will be the case and I will let you know as soon as I can if it will be any different.

If you have any questions, please get in touch.

Kind regards

Katherine Richards
