

## Newsletter

Friday 12<sup>th</sup> June 2020

Dear Parents,

I hope that you are all well and safe. Restrictions are loosening and there seems to be a glimmer of hope of returning to some normality.

Many of our 'bubbles' are nearing capacity. If your child has not returned yet but may do in the remaining 5 weeks of term we will only be able to offer the days where numbers are lower in individual bubbles. We still need at least one week's notice to organise changes to staffing and space etc. Thank you.

Again, I would like to extend my thanks to parents for their adherence to the social distancing measures we have in place and for returning books to the box at the main entrance. Keep them coming!

### Free School Meal vouchers

The Government has not yet confirmed whether these will be continuing throughout the summer break, we will let you know when we know. We discover most things by watching the briefings or the news!!

As restrictions have loosened a little the vouchers need to be picked up from the school office. We still have a number which need picking up. We can no longer post them out due to budget restrictions. If you have asked someone else to pick them up on your behalf please call us to let us know.

Subsequent vouchers can be picked up on **June 27<sup>th</sup> and July 15<sup>th</sup> between 10 and 2pm.**

### Home learning

Next week's home learning project is based on 'Space' and has been uploaded to the website. I will continue to upload daily assemblies for the remainder of this term.

### End of term

Please note that we will end this term and academic year on **Thursday 16<sup>th</sup> July** at the time your child's bubble normally finishes. We have taken this decision to ensure that on Friday 17<sup>th</sup> July we can safely invite all of the Year 2 children into school to say goodbye before they leave us to join the Junior school. I hope that you support this decision. I will be sending an invitation to all Year 2 children today!

Have a lovely weekend. The sun is coming back!!

Take care,

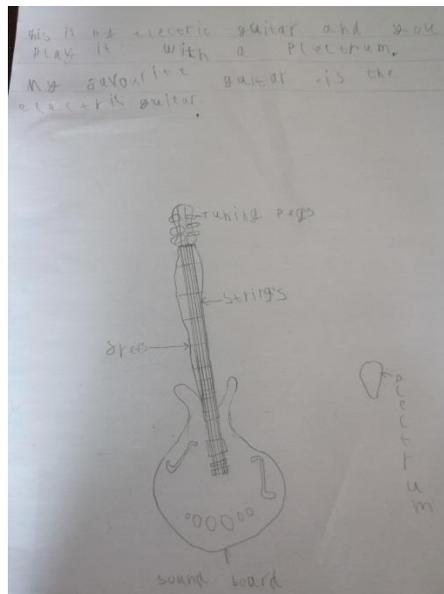

Mrs O'Connell

Headteacher

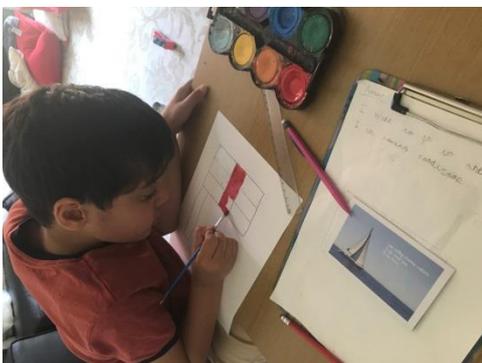

## This week's home learning

Tilly has been enjoying this week's home learning project focussing on Music. If only this newsletter had sound!

Ben completed his picture of the four seasons whilst listening to Vivaldi's Four seasons. I was very impressed with his labelled drawing of an electric guitar.

Aarav has also been busy this week completing work on the Around the world project. Well done.
