

## MOSTON LANE COMMUNITY PRIMARY SCHOOL WEEKLY NEWSLETTER 12<sup>th</sup> June 2020

### Weekly message to our Moston Lane Family:

It has been so lovely to welcome some of our Year 6 pupils this week. Whether at home, or at school, thank you for being the best that you can be.

Mrs Kerton

### Important information:

We welcomed back some of our gorgeous Year 6 children back this week and although it is a different Moston Lane day for us all, it was lovely to see some new faces. As school has re-opened for Year 6, following Government guidelines we are now responsible for providing free school meals to eligible pupils, this means that the free school meal vouchers have **ended today** for Year 6 pupils. From next week if you would like to collect a free packed lunch for your child provided by school, please reply to the text sent this week.

### Moston Lane SUPERSTARS of the Week:

Rainbows: Evie and Harlen

Sunbeams: Saadat and Harlie

Reception: Ellie and Olivia

Year 1: Emilia and Julia

Year 2: Harvey and Samuel

Year 3: Fola, Ocean, Rebecca, Rudainah and Mason

Year 4: Javeria and Miley-Mae

Year 5: Rhyland, Chikae and Faisel

Year 6: Amazing, Dammy and Stephanie.

### *'Citizen Science' Project*

The children of Moston Lane have been invited by a team of scientists from The University of Manchester to take part in a citizen science project: "Blue Woodlice Detectives".

It is an opportunity to get involved with some research from home, learn some science and is also a family friendly project! It's a fun and instructive activity and a good excuse to go outside during lockdown.

In this project, participants would have to go into their garden, park or forest and try to find woodlice (they really like to hide under dead wood or rocks). If they find a blue one, in addition to letting us know where they were found, participants can collect them and send them to us (only if willing/able to). Infected woodlice are not dangerous to humans (you cannot catch this virus!). Infected blue woodlice usually die within a week of turning blue.

For more information follow the link below to the school website:

Join the Blue Woodlice Detectives!!!

Thought of the week:

"Reach high, for stars lie hidden in your dreams".
