Summer term 2 week 1

A virtue to remember..... Charity

'The voluntary giving of help to those in need.' This definition of charity is a clear picture of the works of many during these last months. Whether it is the tireless work of the NHS and many other public services, or the discreet and unseen charity givers who collect shopping for neighbours or give their time to contact and comfort the isolated. For all who give, we thank you.

This week we celebrate the feast of Corpus Christi. Jesus said, "I am the living bread which has come down from heaven. Those who eat this bread will live forever."

John 6: 51-58

Jesus wants us to experience the fullness of life here, and to lead us into the joys of everlasting life. He wants to strengthen and to nourish each one of us - he is the Bread of Life.

NSPCC Website 'Share Aware' provides straight forward, no-nonsense advice that will untangle the web, and show parents how they can be just as great a parent online as offline. It includes a guide to social networking sites, a parents' guide and tips about how to talk to your child about staying safe online.
Tackling CSE is a priority for West Yorkshire Police and it is the responsibility of everyone to help spot the signs and say something.

St Joseph's supports and advocates 'Operation Encompass' Operation Encompass is a unique Police and Education early intervention safeguarding partnership which supports children and young people exposed to domestic abuse. Operation Encompass is the reporting to schools before the start of the next school day, when a child or young person has been involved or exposed to a domestic abuse incident the previous evening. It enables children to arrive at school and have their needs met, by trained Child Protection staff, who have been informed of the child's 'experience'. What a wonderful week this has been!

We have successfully welcomed back some of our Lower Foundation, Upper Foundation and Year 1 pupils. It has been absolutely wonderful to hear their laughter this week!

Our Critical worker group has expanded again this week. As previously stated this group has to be prioritised, as per government guidance. If you fall into this category please complete the online survey which is sent out on a weekly basis and we will contact you.

Due to this weeks increase in this group there is no guarantee that all of Upper foundation and Year 1 children will be able to return.

We are incredibly grateful for your support, patience and understanding during this time. We will continue to keep you informed, in an honest and timely way wherever possible; in return, we hope you will continue to be as understanding and supportive as you have been.

Please note on a Friday afternoon school will be closed for children in Lower foundation, Upper foundation and Year 1 as this is when we will review the week and when teachers will have their planned PPA time.

We will remain open on a Friday afternoon for those pupils in the critical worker/vulnerable group.

Friday lunchtimes: Due to you being required to collect your child at an earlier finish time every Friday lunch will not be provided and there is no need to send your child with a packed lunch. **For critical workers no lunch in school is available so please send your child with a packed lunch.**

There will continue to be no breakfast club or after school club provision provided, as children from different bubbles cannot mix.

Contacting school if your child is not attending in years Lower Foundation, Upper Foundation and year 1: Please telephone us at the beginning of the week to confirm your child is not attending school.

Years 2,3,4,5 and 6: We will continue to stay in touch. If you do not answer we will leave you a message if possible and will try to contact you again. This contact is really important to us.

Chers enfants,

Two parts to our French Corner this week: Autour du Monde - Around the World - and sights and delicacies that we associate with La France.

Bon weekend a tous.
