

## June 15<sup>th</sup>

I am pleased to tell you that Sheffield City Council has said that Sheffield schools can open more widely from Monday 15<sup>th</sup> June. They have received updated advice from Sheffield's Director of Public Health, Greg Fell, and he has advised that good progress has been made towards addressing previous raised concerns. For Rivelin Primary School, what this means is that we are inviting all Y6, Y1 and Reception pupils as well as the key worker and vulnerable children back into school from Monday 15<sup>th</sup> June. So we have approximately 130 children back in school next week.

### Move More

On the 30th June, Andrew Noble and Craig Malkin will be undertaking the mammoth challenge of cycling to all 171 Sheffield Infant, Junior, Primary & Secondary schools in one day, taking around 16 hours! The challenge will start and finish at Forge Valley School - 169 miles!

The Move More Sheffield Schools Cycling Tour is to raise money for a number of fantastic Sheffield based charities including: Bluebell Wood Hospice, Sheffield Children's Hospital, Weston Park Cancer Charity and Sheffield & Rotherham Wildlife Trust. Some of the donations will also be used to grow junior cycling opportunities in Sheffield for Children and Young People where possible. We would like to encourage all families and children to support the day by creating banners around school or outside houses that the riders can see on the day as well as encouraging the whole city to get on their bike where they can as it is the last day of Move More Month and also UK Bike Month with Love to Ride.

Many thanks to everyone in advance! And I am sure you will join me in wishing Andy and Craig good luck, I feel they may need it!!

### Hello!

In the week when the funeral of George Floyd took place, social distancing restrictions were relaxed and UK's biggest zoo opened, Rivelin children enjoy an history themed week.

## **WEEKLY UPDATE**

**Friday 12<sup>th</sup> June 2020**

### School Logo

We are entering a hugely exciting time at Rivelin. Prior to Covid19, we started the process of looking at designing a new school logo. We consulted with children, staff and governors and we are keen to gain parents views as well. We obviously do not want to cause any concern to families who have already purchased uniform with the original logo, please be rest assured that your children may continue to wear this for as long as they wish. We are hoping to launch the new logo in Sept 2020 and we would have had more of a consultation if times were different. We would love to hear any views you may have, please contact me through the school office.

### Hallam FM!

I want to say a huge THANK YOU to my amazing team. They nominated me for the Holiday for Heroes competition for all my hard work during these trying times. I don't know if you tune in to Big John @ Breakfast but this morning he announced that I had won and will receive a holiday voucher AND will be featured on the big billboard at the bottom of the Parkway. I am so lost for words; they truly are an amazing team.

### Crossing Patrol

We have been informed by Sheffield City Council that there will be no School Crossing Patrol from Monday 15<sup>th</sup> June until further notice. Please take extra care when crossing the road.

### Tapestry

Remember to share all your experiences and work on Tapestry. All teachers are eager to see what you have been up to and they are ready to leave a comment.

### Finally!

We all very much look forward to seeing each other and coming back as a community in time. Keep in touch and keep safe – Mrs Middleton
