CAFOD CORONAVIRUS APPEAL

CAFOD launched its coronavirus emergency appeal on 30 April. The effects of coronavirus on developing countries where CAFOD works are likely to be devastating. Families without enough to eat and without access to clean water and healthcare are particularly vulnerable to coronavirus. The poorest and most marginalised communities will be pushed further into poverty. Your prayers and gifts are needed now more than ever to help protect the lives of those in poor communities. While we are not able to hold physical collections in our church, you can donate as individuals at cafod.org.uk/coronavirusappeal, or as a parish community via your own parish.

Holy Mass will be as advertised but **without** a congregation during the Pandemic. **Live web-streaming** will continue. The church is now closed until the end of the COVID-19 crisis. Please consult the church website for further updates and the parish bulletin www.stedwardsclifford.co.uk

[St Joseph's Parish, Tadcaster](http://www.stedwardsclifford.co.uk), for the duration, will join us for live-streaming at Clifford; together with a gathered congregation from across the globe.

Please also consult the **Leeds Diocesan Website** for Cathedral web-streaming and a whole wealth of prayers and information which you may download. www.dioceseofleeds.org.uk
