

Curriculum and Home Learning Update – 15.06.20

Dear Parents / Carers,

Many thanks for your hard work and support in these unprecedented times. As a school, we really appreciate your time and effort supporting your children with learning at home. We have been delighted by the work shared and the learning opportunities that are happening at home. We would like to update you about how we will continue to offer to support you to allow your child to access learning at home.

We have reviewed our current ways of working and moving forward, this will be the curriculum offer.

- All work for the children will be uploaded on to Class Dojo for children in years 1 – 6.
- For all children in years 1 – 6, there will be a daily English and Maths task on Class Dojo.
- There will also be a weekly post which details the curriculum offer for the wider curriculum – this will have a focus on Science, Computing, History, Geography, PE, Music, Spanish (Key Stage 2 only), Art or Design Technology.
- Tapestry will continue to be used for children in EYFS.

Please ensure that you look on Class Dojo with your child and support them to engage in tasks set by their teacher. Photographs, work and even videos can then be sent back to the teacher so they can see how your child is doing. We will aim to respond to all work sent to us.

Should you need to contact your child's class teacher with regard to accessing Class Dojo, please email:

Year 6 Hazel Mrs Otterwell:	year6hazel@footprintsfed.com
Year 6 Oak Mrs Whitaker:	year6oak@footprintsfed.com
Year 5 Ash Mrs Turner:	year5ash@footprintsfed.com
