15 June 2020

Dear Parents/Carers,

During your child's time in Early Years the school used an on-line system, called 'Tapestry' to record your children's learning and assessments. Each child's profile is full of many 'wow' moments and milestones that staff and parents have captured during your child's time in Early Years.

We hope you have enjoyed looking at your child's profile over the last year and sharing their learning with them. Now that your child is moving to Year 1, we need to transfer the accounts to the new Early Years children. Your child's learning journal is now available for four weeks to download. **If you wish to keep your child's learning journal you will need to download or print it by Friday 10th July. If you need any assistance, please do not hesitate to let us know by Friday 26th June at the latest.**

To download the journal, login to Tapestry on a computer. In the top right corner click on the downward arrow next to your name. Select: **Your Downloads**. A screen should appear with your child's learning journal listed. Next to the journal click on the Download button to save to your computer.

If you have any queries, please do not hesitate to contact me in the usual ways.

Yours faithfully,

Steve McGinley
Headteacher
