NEWSLETTER 11 - 18.06.2020

Dear Parents/Carers

Returning to school

As you know I feel very strongly that any decision regarding returning to school is up to parents, it is fine with me to send your children back to school and it is also fine to keep them at home. I realise that for some of you this is the best way to keep all your family members safe.

The Government have told us that we can only have 15 children in each bubble which limits the spaces in school. I am very keen to get back Year 2 if at all possible but this depends on numbers of children returning to school and staff availability.

If your child is in Nursery, Reception and Year 1 (including if you need key worker care) please can you phone or email school by midday on Monday 22nd June if you would like your child/children to come back to school on Monday 29th June - this will be the last return to school date for this year as it will enable me to see if we can admit any Y2 children. Depending on the responses I will then be in a position to contact Y2 pupils. If your child is already in school you do not need to do anything. Places are limited in nursery and will be allocated on a first come first served basis.

If you choose to keep your child/children at home this is fine and we are already planning a curriculum for September which will support all the children and we will continue to send you home learning emails.

School Uniform Sales

If you would like to buy school uniform in readiness for September please phone or email Mrs Bower on 01777 702728 or office@hallcroft.notts.sch.uk. You will not be able to try on uniform in school but if it doesn't fit we will be able to swap it for you this term (leaving the tried on set to one side for 72 hours). You will need to pay on collection with the exact amount in cash, ideally in a money bag.

Yours sincerely

Jo Cook
Head Teacher
