

Message from Mr Merry

The end of the school academic year is nearing and we are currently making plans for the next academic year. Whilst schools have not been officially asked to take back children in Years 2–5 we have been asked to look at whether we have the capacity to have any more children in school and across the OWLS Academy Trust. This is currently happening in many of our Trust schools.

Arrangements for the children already in school remain the same with the exception of some room changes. Keeping safe and well is always the priority.

On Tuesday, Gavin Williamson, the Secretary of State, announced that schools will not welcome back all pupils before the end of term in July. This was essentially an admission that, until the public health advice states that it is safe to teach in groups of around 30 pupils, schools will not be able to fully open to all pupils. We are very fortunate at New Lubbethorpe to have lots of space and classrooms to utilise currently.

We are working on arrangements that will help facilitate a smooth transition between year groups and these will be communicated to you in the coming weeks with your child's school report.

We remain committed to sharing learning tasks on our website for those children who are not in school and we are very thankful for the effort's families have made with supporting learning from home. Please do not hesitate to contact your child's class teacher if you have any queries in relation to this work.

School Updates

Free School Meals If you are currently receiving Free School Meals vouchers from Edenred, please be aware they have a use by date. Please can you contact us if you are unable download the vouchers, you can contact by emailing office@newlubbethorpe.leics.sch.uk

If you have not thought to apply before or your circumstances have changed, you can check if you are eligible and apply using their online portal via the below link. Just select How to apply, click 'Apply for free school meals', register or log in and just follow the instructions:

We have also been informed that this scheme will be running throughout the summer holidays.

Design a Burger Competition

The School Food support team believe that getting children to think about food and what ingredients go into food is a really helpful tool in developing their understanding but that the learning process should be fun and exciting as well. With this in mind, they are running a competition for budding chefs to design their own burger. Details can be found at <https://www.newlubbethorpe.leics.sch.uk/about-us/school-meals> entries to be received by Friday 3rd July 2020.

PE - Friday Routine

Please be reminded that children can attend school wearing their PE kits every Friday.
