19th June 2020

Dear Parents.

I hope you are staying safe and well during this difficult time.

The past few weeks have been extremely positive for us in school as we welcomed back some of our pupils from Year R, 1 & 6. These children have shown great resilience and have adapted incredibly well to the changes around school and are working hard.

Following the government announcement that schools would not be expected to open to further pupils before the summer break we would like to begin to utilise the online platform, Zoom, to make visual contact with the children who won't be returning until we receive further government guidance. We would also like to use this in the coming weeks to enable children to meet their new class teachers for the next academic year.

Zoom is a video app that will run on all web enabled digital devices including desktop computers, smart phones, laptops and tablets. Parents will be required to set up a free account to enable children to join in with meetings, please use your name on the account as only recognised surnames will be allowed access to the meetings due to safeguarding.

Parental consent will need to be sent via class dojo to your child's class teacher to confirm that you are happy for your child to participate.

Teachers will send out an invitation to join a meeting via the class dojo app. You will receive a meeting ID and password along with the scheduled time of meeting. We advise you begin the log in process a few minutes before the meeting starts. Once the programme is opened you will be asked to enter the meeting ID & password. You will then enter a waiting room and the teacher will allow you to enter. If you require any further assistance please contact either the class teacher or call the school office on 01788890677.

Please see attached guidance regarding zoom.

Yours faithfully,
Mr S Dainty
