

Robins Class Newsletter 19th June 2020

What have we learned this week?

Robins, you continue to just blow us away! You have all continued to work so hard and have done it with the biggest smiles on your faces! In school this week, the children have made a show, creating drinks, tickets, scripts and using their amazing imaginations to provide entertainment all week long!

In phonics, we have done so much amazing reading and writing, segmenting words so carefully and writing sentences independently! On Friday we made tricky word dominoes and loved playing!

In Maths, we have explored measuring and capacity, as well as practised writing numbers to 20 for our Year 1 challenge! Miss Roberts was SO impressed!

Some photos from the week

A Message for the children

Another amazing week done and dusted! You are amazing Miss Padgett, Miss Roberts and I with your independence and your Year 1 challenges – I can't wait to do the next one!

You are all such kind and loving children and are taking everything in your stride each and every day! Well done – I am so proud of you! x

A Message for parents

New books are being uploaded to Tapestry each week - please remember to read with your children as often as you can and record your comments in the comments box on Tapestry.

Please can we politely ask parents to remind children to stand sensibly with them when waiting to come into school. We really appreciate your support with them understanding that their 'safe space' is just as important out of school as in school.

I hope the sun shines a little for us this weekend! Have a great one!
