'Love each other as I have loved you' John 15 v 12

Our school virtues are: Love, Moderation, Courage, Justice, Hope, Faith, Wisdom.

Newsletter week ending 19th June 2020

Mrs Truslove writes:

Hello everyone. There is not much to report this week, we have settled into our new normal in school and the learning is building at a rapid pace – I have seen some very tired little people passing by my office this morning!

Thank you for the many positive messages and comments that we have received about the reopening of school – It was a huge leap of faith for everyone and your support has been very much appreciated.

We held a Zoom Governors meeting this week and the possibility of opening to other children, or using other venues to teach, was discussed. Unfortunately, this is still not possible within the current guidelines. We will continue to monitor the government's instructions, and liaise with the local authority and teaching unions to get children back as soon as is safely possible.

It is no longer viable for myself and Mrs Gibbins to do the ring around which was happening during lockdown, however if you do want to talk to me please call the school and I will be happy to help. Alternatively, carry on using the class emails that were set up at the beginning of lockdown. It would be good if everyone from Yr2, 3, 4 & 5 could make contact once over the next week so that we know you are OK – it isn't the same here without you!

Reverend Kathryn has been in touch and is going to contribute to next week's newsletter so watch this space.....

No Happy Birthdays this week but lots for next week!

Your News!

If we are still closed to you let us know what you have been up to! Please send your news and photos in to: bursar@easthaddon-ce.northants-ecl.gov.uk and we will share on the newsletter.

Mrs Barnes / Mrs Truslove

Next week in maths, Year 1 will be adding three small numbers, spotting pairs to 10 and doubles; add and subtract 10 to and from 2-digit numbers.

Reception will be exploring number and place value, mental multiplication and division and problem solving.

In English the children will be writing in sentences remembering capital letters, finger spaces and full stops to retell stories.

In science we will be learning about what plants need in order to grow.

Mrs Gibbins

I hope you have all written lovely gooey love letters in your writing this week. It would be lovely to see some of them. This week Mrs Pickles and Mr Wilkinson have set a nice task for year 3 to do as part of the home learning.

Mrs Pickles/Mr Wilkinson

It has been another lovely and busy week with Year 6. We have begun watching the children's Where in the World presentations and the standard has been very good so far.

The Home Learning Tasks will be sent out as usual and this week's theme is Sport with some lovely ideas. There is also a new STEM learning project. Please keep sending in any work, photos or video clips as we love seeing them.

Please email blueclass@easthaddonprimary.com if you would like us to send you the pdf versions and PPTs; we will send these versions out to those who have already requested this format.

Academic year 2019-20

TERM 6	Re-open	Monday	1 st June
	Close	Friday	17 th July

Academic year 2020-21

TERM 1	Training Day	Tuesday	1 st September
