

# Helmsley CP School News

19 June 2020

Dear Families,

I hope this week's newsletter finds you well. It has been another busy week for our children and once again, all the staff have been amazed and delighted by the children's creativity and enthusiasm for getting involved in the wide variety of challenges and learning. It has been wonderful to see many of our children continuing to produce high quality learning.

This week, teachers have enjoyed sending their video messages and are already planning their message for next week. We are also busy planning the next whole school event – watch out for further information on Monday!

Please take the time to read and discuss the 'Newsday Tuesday' assembly on the next page. There is also a link to a virtual assembly.

Have a lovely weekend,  
Claire Lamb

Chester Zoo is the largest zoo in the UK and was closed on 21<sup>st</sup> March, following lockdown restrictions due to the Covid-19 outbreak. It reopened on 15<sup>th</sup> June after being closed for 3 months. During the long period it was closed, the owners were concerned that it may not ever have been able to reopen due to the huge lack of income caused by the closure and the huge costs involved in feeding the animals.

*Things to talk about at home...*

- Have you been to a zoo? Did you like it there? If not, would you like to visit a zoo. Why?
- Some visitor attractions have not had staff at work during the lockdown period, but zoos have, why do you think zoos need people working there all the time, even when they're closed?
