

June 15th

What a lovely week we have had in school. It was so nice to welcome more children back, they listened carefully and followed all the instructions. The staggered start and finish routines worked very well and it felt very calm. Over the course of the week, lots of photographs have been taken. If you would like to see what the children have been doing visit the 'Pupil Participation' page on the website`.

As you probably have seen we have scaffolding up outside the school buildings. We have many leaking roofs and old rotting windows so the Local Authority are replacing them and fixing all the flat roofs. During the summer holidays we are hoping to have all the fire doors throughout school replaced and new ones installed.

This week, Team 1 and the children have been amazing. 😊

Sleep

A lack of sleep can cause havoc on children's behaviour and concentration, as well as have a negative impact on their physical and mental wellbeing. If you are concerned about children returning to school tired because sleep routines have done out of the window in lockdown, you might find the latest sleep support from Sheffield Parenting Team useful. Short videos below give tips and advice on getting sleep back on track.

The Duchess of Cambridge to lead an online assembly on mental wellbeing

The Duchess of Cambridge will lead an online assembly for the Oak National Academy during which she will speak about the importance of mental wellbeing among children. The theme is 'spread a little kindness' and is based on a lesson plan which is available on the Mentally Healthy Schools platform. This platform was developed in collaboration with children's mental health charity Place2Be and encourages children to explore ways in which they can show kindness and recognise the benefits of kindness to others. The Mentally Healthy Schools platform can be accessed here:

Shout Out!

Well done Oliver, he has carried out most of the daily challenges that have been set each day. He really enjoyed these tasks.

Oscar Bradley has been raising money for the NHS to try to help. When someone donates £5, Oscar sends them a surprise like a painting or a poem or something he has made. He has also been selling some books he doesn't read anymore. Oscar has raised £72 so far. Well done Oscar this is all amazing.
