

# School Council Minutes

2.12.13

## Feedback on infant playground

It has been good so far KS2 playing with the infants.

The rota is up to February half term and is on the two outside doors on the playground.

## Suggestion Box

George and Aneria in Y6 are to go and see Mrs Reagan about sandwiches and dinners sitting together.

More sporting activities have been seen from the suggestion box and we have decided that we have enough already.

George, Lewis and Phoebe are going to speak to Mr Gilmore about having clubs at dinner time.

School Council have to see what their class think about growing plants and maybe making it into a contest and the ideas need to be brought into the next school council meeting.
