

Dear Parents/Carers

PUPIL PREMIUM is worth **£1,320** for your child and our school

Did you know that if your family are on a low income you may qualify for Pupil Premium, which would benefit your child in school?

Pupil Premium is allocated to our school by the government and is used to fund a variety of projects to ensure the best outcomes for every child in our care.

We use Pupil Premium funding for:

1. Targeted before and after school activities.
2. Extra staff to reduce group sizes
3. Supporting the child well-being team (Who Am I Project, Drawing and Talking, Let's get Cooking)
4. Contributing towards the costs of school visits.

However, since the introduction of Universal Free School meals in Reception and KS1, our funding has reduced dramatically (approximately £20,000 lost so far this year) as parents are not signing up for Pupil Premium Free School Meals and therefore, we are not receiving money we desperately need.

If your application is successful then your child is entitled to Free School Meals and School Milk in Reception, Y1, 2, 3, 4 5 & 6

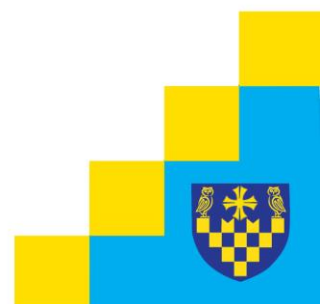

It is still of benefit to you and the school if you apply even if your child has a Universal Infant Free School Meal or does not require a school meal.

In order to encourage Parents/Carers to sign up we are offering **all NEW SUCCESSFUL APPLICANTS a free coat for school for their child (from a local supplier).**

To apply please go to the Kirklees Government Website and search 'apply free school meals'

Thank you

Mr M Birkett
Headteacher
