We Need Your Feedback!

In the newsletter this week, we have attached links to two surveys to get your views on how we do things at Stockingford Academy and any ways in which we can improve our offer.

Home Learning Survey Monkey

The first link below is to gain feedback on our Home Learning provision to help plan our next steps.

<https://www.surveymonkey.co.uk/r/InspireHomeLearningSurvey>

New RSE Curriculum

From 2020, Relationships Education becomes a statutory requirement for all primary schools to teach. We want to consult all stakeholders to get your views on this important and sensitive curriculum area.

<https://www.surveymonkey.co.uk/r/InspireRSE>

Both surveys will remain open until Monday 7th July at 4pm

Have a great weekend.
Mrs Bowser

Transition to New Classes

Normally at this time of year, the children would be getting ready to meet their new teachers and the Year 6's would be preparing to bid their fond farewells as they move to their high schools. Unfortunately, things will have to be a bit different this year. However, worry not as we will make sure that you are informed of who your new teachers will be and you will have some activities to complete in readiness for next year. Year 6 pupils will also be kept fully informed of any news or messages from the high schools. Keep checking our Facebook page and website.

National School Sport Week

This week has been National School Sport week and children at school and

those at home have been keeping busy (and enjoying the sunshine) carrying out team sports, adventure sports and athletics plus much more.

Den Building

We were very impressed with all the creative and innovative designs for den building, Great effort from everyone who took part. From the photos, it looked like you all had a great time!

Birthday Zone

Birthdays from - 22nd June - 28th June - Happy Birthday!
