

Return to School Project

By

Friends of Christ The King

In partnership with
The Pottery, Alfreton

Since the lockdown period it has been a strange and challenging time for everyone. The 'Friends' Committee have really missed planning all the fantastic events around our School and seeing all those little faces smiling back at us.

As thoughts turn to the new school year and what this will look like, we have been thinking how we can plan events that maintain our amazing sense of School community, whilst also keeping social distancing rules a priority.

We have come up with a fantastic project that we hope you will find exciting and will also help the children to feel positive about their return to school, put a smile on their faces and give them a sense of still belonging to our fantastic CTK family.

We plan to decorate the far fence of the Memorial Garden (grassed area to the right of the School gates) with ceramic rainbows that have been made and painted by our children. These will surround a plaque to commemorate the difficult period we have all been through.

We have partnered with The Pottery who will supply us with the kits, but they will be distributed and collected back at School ready for firing. The children can decorate the bottom of the rainbows with stars, clouds, hearts, flowers, whatever they want. All we ask is that each child puts their name on the front so we can celebrate their beautiful work.

Each kit is £7 and we have ordered an initial 100 kits. This will cover our costs as well as raising a small amount for our school. Kits can be purchased per child or per family, whichever you choose. We are able to start taking pre-orders immediately and orders will only be accepted through the 'Friends' email Address, friends3@christtheking.derbyshire.sch.uk. Payment is strictly by bank transfer only. Orders will need to be placed by 2pm on Monday 29th June.

If you would like to register your interest for kits, please send an email to the above email address with your child's name and how many kits you would like. We will then reply with information on how to make payment and what happens next.
