School Update

Last week the Government announced that all children would be able to return to school in September. Guidance for schools around this is due to be published in the next week and a half. As soon as we receive this guidance we will begin working on this in school and will share our plans with you as soon as possible. I would love to be able to share with you immediately what school will look like in September, but feel that we really need to wait for the guidance. It does not leave us long before the end of term and I thank you for your understanding. I can share with you that there will be no changes to class teachers next year.

We are currently working hard to put plans in place for the end of term to enable all year groups to be able to come into school to spend a short session with a group of their class and the class teacher. There will be more details to follow in the next couple of weeks. Watch this space!

Sad Goodbyes and a Warm Welcome

During the last couple of weeks we have said a sad goodbye to Katie-Belle in Y6 and Libby F in Y5, both of whom have gone to live further afield (even Scotland!) We wish them all the best in their new homes and schools.

We say a warm welcome to Laura (Y2) who has already made friends through the class blog. We know you will be very happy here. We also welcome back Sophia in Y1.

Sophie

We are so proud of all our children who are coping so well with the current situation.

Sophie (Y3) decided to make a cake for the paramedics in the area as part of her Brownie badge.

Fantastic ideas and work Sophie! Do let us know if you have done something similar.

Internet Safety

With continued Home Learning, internet safety has become an even bigger concern. Please visit our Safeguarding, Online Safeguarding page for support, or contact us in school if you have any concerns.
