Together we reach for our personal best

24th June 2020

Dear Parents / Carers

The end of the academic year is fast approaching and while very different to any other end of year, there are some familiar things that still need to be communicated to you. In order to get your child's end of year report to you we need to have a working email address to send it to. This report is very different to those that you have seen previously due to the fact the majority of children have been out of school for a substantial period of time. We would also like you to comment on how you have found the experience of 'home-schooling' for your family and what you think will be the priority for us as teachers to concentrate on when your child returns to full time school.

We also need to let you know who your child's new class teacher will be in September. **Please email your child's current year group mailbox, yearX@newtons.havering.sch.uk (replace the X with your child's year group for example: year6@newtons.havering.sch.uk)** stating your child's name and current class. Your child's current class teacher will email you back with your child's end of year report and the name of their new class teacher. We aim to complete this by the Friday 3rd July. If you have more than one child, please send separate emails for each child to the relevant class teacher.

Yours sincerely

Mrs U Connolly
Interim Headteacher
