**'All Moving Forward
Together'**

25th June 2020

Dear Parents and Carers

We have all really sad that our Year 2 children have not been with us for their final term at Northfield and I am so sorry we have not all been able to get together as a year group to say goodbye. We would however like to invite them into school for a small group session with the children they will be in a class with when they move to the Junior School. This will be an opportunity to celebrate their time at Northfield and also go through any questions they may have about Year 3. The sessions will be at one of the following times and confirmation of which session your child is invited to attend will be sent by text once they have received their class allocation letter from the Junior School:

- Group 1 – Thursday 9th July 9.30am-11am
- Group 2 – Friday 10th July 9.30am -11am
- Group 3 – Monday 13th July 9.30am -11am
- Group 4 – Tuesday 14th July 9.30am – 11am
- Group 5 – Wednesday 15th July 9.30am – 11am

To ensure the safety of all children, staff and families we will continue to follow our strict safety measures. This includes only having small groups together, keeping as socially distant as possible. Each group will meet in the hall, where there is plenty of space and also spend some time outside, if the weather permits. Each group will not have contact with any other groups who are in school at that time and will only have contact with limited staff. The children will have access to the visitor's toilet, which will not be used by anyone else on that day. However, we would ask that children use facilities at home before coming into school to minimise the need to use them at school! They should come in non-uniform and bring a large carrier bag as we will be sending some of their books home with them.

When your child arrives for their allotted session please wait at the gate near the main office where Mrs Baarda and Miss Yorke will greet them and take them to the hall. Children should be collected from this same gate at the end of the session. Please follow the social distancing signs and one way system on the driveway.

We are really looking forward to these sessions and pleased to offer this opportunity to spend a little time with our Year 2 children; we have missed them all so much. If you have any questions or would like further information please do not hesitate to contact us.

Yours sincerely

Mrs Sam Woolhouse
