

# Hyndburn Park Primary School

Friday, June 26<sup>th</sup> 2020.

Dear parents / carers,

This week, we welcomed back some of our Y6 children. Staff were in last week completing training, risk assessments and planning, and we were excited to see thirteen of our Y6s come in on Monday morning. After a very quiet start to the first day back following three months at home, children and staff have loved being back at school and back into a 'new normal' routine! Thanks to all staff, to children and their families for sticking to the new rules and routines we have put in place.

From next Monday, 29.06.20, we are opening to more children. Seventeen of our Y1 children will be coming back to school on Monday morning, and will be working in three classrooms. If you have a Y1 child coming back to school on Monday, **please look at the Y1 letter on the website (Friday letters link – Y1 returning to school information)** for how things will be working. There are some important changes to note. Hard copies of the letter will also be sent home with your child next Monday. If you have any questions, please ring school and one of us will be able to help you.

If we open to more children, it will be reception next. When this is the case, someone from school will ring you to ask if you would like your reception child to return; it will be completely your decision. Then we will be able to put the appropriate plans into place.

We are still setting weekly challenges for children to work through at home. Visit the school website ([www.hyndburnpark.lancs.sch.uk](http://www.hyndburnpark.lancs.sch.uk)) and click on the team pages. Here you will find the weekly challenges, plus some feedback on the previous week's challenges. Thank you so much for supporting their learning at home for all of these weeks.

With all good wishes to you, your family and your friends. Stay safe and well.

Yours sincerely,

Ms W E Tracey  
Headteacher
