## Newsletter week ending 26th June 2020

### Mrs Truslove writes:

It is brilliant to see Reception, Year 1 and Year 6 working so hard – they really are pulling out all of the stops. As our bubbles are now established and the numbers in Reception and Year 1 are below 15, we are changing the pick-up times for them. They can now all be collected at 3.10pm from Monday. We will also be doing some activities as a class (still respecting social distancing) but will keep separate classrooms in order to access an individual workstation. This revision is based on the numbers of children who took up places and does mean that this bubble is now full.

For those of you not back in school yet, we are still missing you and hope that you are managing to access some learning every day. When you do come back to school (Reception – Year 5) your teachers will want to see a selection of things that you have been doing (if you have emailed work in, it will still be here) so start gathering your favourite bits now – September will be here in a blink of an eye.

### Your News!

If we are still closed to you, let us know what you have been up to! Please send your news and photos in to: [bursar@easthaddon-ce.northants-ecl.gov.uk](mailto:bursar@easthaddon-ce.northants-ecl.gov.uk) and we will share on the newsletter.

### Mrs Barnes / Mrs Truslove

Next week in maths, Year 1 will be learning about number, place value and fractions. Reception will be counting in 2s, 5s and 10s.

We will continue finding out about the different kinds of animals and plants in our local environment.

We have been very impressed by how the children have settled back into school, they have been so happy and are enjoying the topic this term.

### **Mrs Gibbins**

Another week has ticked by. I had some marvellous examples of Globe Theatres last week. Well done to those of you who completed that. I hope Year 3 enjoyed the task set by Mrs Pickles and Mr Wilkinson. They were looking forward to hearing from you.

Dear Year 3 – thank you to those of you who have sent in video and written work in response to our request last week, there is another one being sent out this week based around your sporting or musical interests. We haven't heard from everybody yet, so hopefully we will hear from the rest of you soon.

### **Mrs Pickles/Mr Wilkinson**

Year 6 have been great company again this week. We have been looking at Data Handling in Maths, writing a story that builds atmosphere and tension and exploring heart rate in Science.

The Home Learning Tasks for Year 4 and 5 will be sent out as usual and this week's theme is The Rainforest with some lovely activities. There is another new STEM learning project. Please keep sending in any work, photos or video clips as we love seeing them.

Please email [blueclass@easthaddonprimary.com](mailto:blueclass@easthaddonprimary.com) if you would like us to send you the pdf versions and PPTs; we will send these versions out to those who have already requested this format in previous weeks.

### **Our Church**

Reverend Kathryn has prepared some materials for you to access at home if you wish. There are a couple of activities attached to the e-mailed version of this newsletter, and the following links will take you to Reverend Kathryn's You Tube video, and a video about Jesus's miracles.

<https://www.youtube.com/watch?v=uZTHwqj0Bkk&t=260s>

Many thanks to Reverend Kathryn.

### **Recycling**

We are currently not collecting recyclables. This may change in the future - we will keep you updated.
