Dear Parents & Carers

*Happiness and wonder
inspires success*

We have received some very sad and shocking news this week; Marie Heyes who has been a Lunch time Supervisor at our school for almost 27 years had sadly passed away on Friday 19th June during surgery. Our thoughts are with her family with whom we have been in contact with. Marie loved her job and the children and she always joined in with whatever they were doing. Many children learned to skip with a skipping rope thanks to Marie. She will be greatly missed by everyone in school. Her funeral arrangements are not confirmed yet but as soon as we know we shall let you know so you can join us at the front of the school to pay your respects as it is planned the procession will drive Marie past Bellfield School one last time.

Reception children have been finding out about the seaside and what creatures live in the sea. They have enjoyed making things in their arts and craft and their classrooms look like an under the sea experience.

Year 1 have continued to find out about flight and early pilots and Year 2 have been looking at and constructing castles.

Some of you may have noticed that the Nursery has had some building work done. There used to be a UPVC structure that was the cloakroom and entrance to the Nursery but over the years the structure had deteriorated. We have replaced the structure with a more permanent structure that looks much better and in the winter will be much warmer too.

The children have enjoyed the week of sunshine and it has allowed them to take their activities outside in the fresh air, which is always a bonus in these strange times. We currently have six bubbles, three Reception bubbles, two Year 1 bubbles and one Year 2 (Key worker) bubble. We have more children joining us next week; if you would like your Reception or Year 1 child to return to school please let us know by Wednesday so they can start the following Monday.

The school will be closed for the duration of the summer holidays and I know staff are looking forward to finally getting some quality time with their own families to relax and recharge their batteries. We are 'quietly' confident that school will re-open as normal to all children on Wednesday 2nd September 2020 - and the bubbles will have blown away!
