Dear Parents/Carers

Thank you to all the parents who contacted us regarding sending your child/children back to school for the last 3 weeks of term, we look forward to seeing you all from Monday 29th June. We have been able to accommodate almost all requests for places, whilst still adhering to our risk assessments that ensure safety for everyone. For parents who are returning their child to school from next week please ensure you read the Covid-19 Home School Agreement attached to this newsletter as you will be asked to sign a hard copy when you first drop off your child.

Please refer to last week's newsletter to ensure you and your child are aware of the changes that are in place to ensure the safety of everyone. Please go through with your child the changes to the normal routines and school day. They will not be returning to a school day like they are used to. We will do our best to ensure that your child settles back into school and we understand that they may be anxious to return. School staff will, as ever do all they can to make sure your child is happy during school time even if it is a bit different.

Please drop your child at Walden Avenue gate between 9.00am and 9.10am. When collecting between 3.00pm and 3.10pm please enter through Walden Avenue gate. We are operating a one-way system so you will exit the school via the Nursery gate on to Lowen Road.

You will receive a call from your child's class teacher if your child **will not** be back in school until September. Please be aware that you may not get this call until next week. We are asking **all** parents/carers to email your child's year group email box with their child's name so that we can send out end of year reports and let you know who your child's next class teacher will be. Thank you for your cooperation in this matter; we realise that many of you have changed email addresses since registering your child and by you emailing in to us in this way ensures we get this information sent to the correct email address.

We also asked for your views on how home schooling has been for you and your family and I know that a few of you have already responded to this request. In order to make this information gathering easier for everyone, could I ask that you respond via the survey found by clicking on the following link:

We really appreciate your time with this, as it will allow us to plan more effectively for your child's return in September. Thank you for giving time to this.
