A lot of people are talking about Coronavirus.
Everyone is working hard to feel safe and healthy.
Some schools are closed.
Schools, homes and public places need to be cleaned.
The Coronavirus spreads very easily.
I need to wash my hands a lot to stay healthy.
When I wash, I can sing Happy birthday or count to 20.
This will make sure my hands are clean & I am healthy.
Another thing I can do to stay healthy is called Social Distancing.
Social Distancing means I cannot be close to other people.
Social Distancing also means busy places like restaurants and libraries will be closed.
Fun activities and events will be cancelled so we can all stay safe.
These are some activities that I CAN do!
Social Distancing might make me feel worried or sad.
If I feel worried or sad, I can speak to someone to make me feel better.
This will be finished soon.
Social Distancing will keep everyone happy, healthy & safe.
