Class Transition Arrangements

Dear Parents/Carers,

We hope you are all keeping safe and well during these unusual times. As a school, we are really missing the children, parents and families that create the buzz of our All Saints community.

As we aren't able to see one another at the moment, we wanted to instead write to you regarding your child's new class for the next academic year. In more normal circumstances, we would have held a transition morning where your child's new class teacher would have spent time with their new class. As this has not been possible, your child's class teacher will be phoning you over the coming weeks to introduce themselves to you and your child. Please look out for their call on the contact number(s) that we hold for you.

In addition to this, we will also be undertaking a number of activities to support transition when children are able to return to school for the new academic year. Further details regarding additional children returning to school will follow as soon as we are able to share them with you.

We are really looking forward to welcoming you all back to All Saints as soon as it is possible to do so.

Kind regards,

Mrs McElwee and Miss Miller
Lower and Upper School Phase Leaders
