

Newsletter 37 – Friday 26 June 2020

This week	<p>This week we have continued the review of our current provision for children at Thorns and Park Hill. As I am sure you will be able to imagine this is not a straightforward task and has involved consultation with parents, staff, governors, the local authority and Public Health England. I am disappointed that I am unable to confirm our arrangements with you today but I remain hopeful that we will be able to invite all children into school for at least one day in their class before the summer holiday.</p> <p>Children in Year 1, Year 2, Year 3, Year 4 and Year 5 are most likely to come into school in the last week of term (week beginning 13 July). I will confirm the arrangements and details of dates and times for all children next week.</p> <p>On Monday we will send letters out to all parents (other than Year 6) to inform you about class allocations for the next academic year.</p> <p>Thank you for the wonderful support you are all giving to the children and to school through your work with the children at home. I know that the last few months have not been easy and as your role as home educators continues it has perhaps become even more challenging to keep going. Thank you everyone, we and your children really appreciate all your hard work.</p> <p>Best wishes, Mrs Bradbury</p>
Year 6	<p>Change to School Attendance – Consultation</p> <p>Many thanks to all parents who have already responded to our email sent out on Monday which was to consult you about plans for the end of the summer term. If you have not already replied can you please send your thoughts directly to me at head2307@welearn365.com.</p> <p>Many thanks, Mrs Bradbury</p>
Reception	<p>Change to School Attendance</p> <p>To create capacity for Year 1 and Year 2 children to come into school before the summer holiday it will be necessary for Reception children to stop attending school in the last week of term. Reception teachers will support learning at home for the week beginning 13 July.</p> <p>I hope that Reception parents will understand the importance of all children spending some time at school before the summer and this is especially important for our Year 2 children who are moving on to Park Hill. If you would like to discuss this change with me then please get in touch with the school office. Mrs Bradbury</p> <p>Reception children’s last day at school will be Tuesday 7 July or Friday 10 July.</p>
