

Wickersley Northfield Primary NEWSLETTER

15th June 2020

Volume 32 (19/20)

Record of Achievements

By the end of this week all parents should have received their child's record of achievement.

Please remember to contact Miss Ross in school if you would like to make an appointment to collect a paper copy of your child's report.

On the letter that came with your child's report there is a questionnaire link to say that you have received the record of achievement and an opportunity to make a comment or ask a question. We kindly request that everyone completes the questionnaires by **Monday 22nd June** so they can be collated and any responses shared with the relevant class teacher.

Reminders

While in our school grounds please remember:

- *social distancing
 - *punctuality
 - *enter and exit via the named gates for your child's class
- Don't forget:
- *to bring a filled water bottle or container to ensure your child can have a drink during the day
 - *that no toys or resources are to be brought into school
 - *to order your child's school grab bag or bring a packed lunch from home.

Community Spirit

One of the good things to come from this pandemic and the lockdown is everyone's community spirit.

It is great to hear how some of our fantastic pupils are supporting and helping the elderly and local community in their time of need to ensure that everyone keeps their spirits up, which has been very difficult for a lot of people who have been self isolating/shielding and who live on their own, especially when their relatives might live a long way away.

Therefore, we would like to mention Darcy Pepper-Rowlands who wrote a letter and drew a picture for the residents of Silverwood care home.

Darcy had a lovely reply from one of the people who lives there and we are sure it made her day to hear about what someone else is doing and enjoys.

Well done Darcy - keep up the great work!

Online Learning

A teacher in Year 2, Year 3, Year 4, Year 5 and Year 6 (the year groups that unfortunately are not able to come into school) is working hard each week to continue to produce online learning for your child to access at home, although the work is not compulsory to complete, if your child has any questions or would like to submit their work there is a teacher available to answer and support their learning via Google classroom during school hours.

If you have any questions about Google classroom, please email the school email address and we will ensure the information you need is sent to you.

The teachers in F1, F2 and Year 1 are also putting some work on line but please bear in mind that these teachers are also teaching all day because these year groups have been invited back to school.

If anyone else would like to share their amazing community spirit with everyone, please email the school email address and let us know what you have been doing.
