Bubble Change

As communicated with 1JH parents this bubble has now been capped and reduced to one to enable us to accommodate pupils who were on the critical workers waiting list and need to come to school.

We are not proposing to make any further changes to our school provision before the summer holiday.

September

We are still waiting for the Government guidelines for September but they are currently suggesting that the bubbles will be extended to 30 which should enable all classes and year groups to come back to school.

We will keep you updated about our plans for September as soon as we are in a position to confirm them.

Thank you in advance for your patience and support. We are all looking forward to welcoming all our pupils back to school as soon as the Government inform us that it is safe and the measures we need to ensure are in place for this to happen.

HOPE
TO
SEE YOU
SOON**
