**Our school virtues are: Love, Moderation, Courage, Justice, Hope, Faith, Wisdom.**

## Newsletter week ending 3<sup>rd</sup> July 2020

### **Mrs Truslove writes:**

I was delighted to hear yesterday that schools will be fully reopening in September. Whilst this brings with it many logistical challenges, it is fantastic news for us all and we can now get our plans in place.

I will be meeting with the staff and governors to ensure that we do this safely and will send more information as decisions are made.

I have decided to move the training day from 2<sup>nd</sup> November to 2<sup>nd</sup> September in order to facilitate whole staff familiarisation with the risk assessments and procedures in place for a safe reopening. I apologise for any inconvenience that this may cause but am sure that you will all agree that getting the reopening right is a priority.

As always, if anyone has any concerns, please feel free to contact the school.

### **Your News!**

If we are still closed to you, let us know what you have been up to! Please send your news and photos in to: [bursar@easthaddon-ce.northants-ecl.gov.uk](mailto:bursar@easthaddon-ce.northants-ecl.gov.uk) and we will share on the newsletter.

### **Mrs Barnes / Mrs Truslove**

Next week in maths, Year 1 will be learning about number and place value. Reception will be exploring measurement.

The children have designed a picture with a moving mechanism, they will be making their designs next week.

In science we will review parts of a plant and what they need to grow.

### **Mrs Gibbins**

It's been quiet on the e-mail front this week. Remember it's nice to hear from you if you aren't in school to see what you are up to. I wonder how you got on with the science this week? Did you find out why it wasn't a fair test? I have had some lovely pieces of writing sent to me too. Well done if you were one of those.

Keep working hard and smiling.

Dear Year 3 – thank you to those of you who have sent in video and written work in response to our requests over the last two weeks. We haven't heard from everybody yet, so hopefully we will hear from the rest of you soon.

### **Mrs Pickles/Mr Wilkinson**

Year 6 have worked hard again this week. We have been looking at Algebra in Maths, Scientific inventions and discoveries and writing their Leavers' service.

The Home Learning Tasks for Year 4 and 5 will be sent out as usual and this week's theme is Famous and Significant People with some interesting research activities. There is another new STEM learning project.

**Please keep sending in any work, photos or video clips as we love seeing them.**

Please email [blueclass@easthaddonprimary.com](mailto:blueclass@easthaddonprimary.com) if you would like us to send you the pdf versions and PPTs; we will send these versions out to those who have already requested this format in previous weeks.

### **Year 6 children going to Guilsborough:**

You should receive a letter this week in the post which will include:

- A welcome letter from the school telling them who their form tutor is, which house they are in and the name of their form. It will also signpost where further resources/presentations can be found on our website (I've attached a sample of this for your information)
- A welcome postcard from their tutor
- A business card from their tutor giving key contact details of staff in school. This is for them to give to their parents for easy reference.

There is also an introductory video available to watch until the end of Friday 10<sup>th</sup> July:

<https://safeYouTube.net/w/NqVM>

### **Our Church**

Reverend Kathryn has prepared some materials for you to access at home if you wish. Here is the link with a Bible story for this week:

<https://www.youtube.com/watch?v=6AcdlqIAiTc&feature=youtu.be>

There is a further optional activity attached to the e-mailed version of this newsletter.

### **Recycling**

We are currently not collecting recyclables. This may change in the future - we will keep you updated.

Academic year 2019-20
