

# Hyndburn Park Primary School

Friday, 03 July 2020

Dear parents / carers,

This week, as well as some of our Y6 children, we welcomed back some of our Y1 children. They were very quiet to start off with, but by Tuesday were back to their normal, bouncy selves! Staff have all received appropriate training, and full risk assessments are in place. Children, and staff, have adjusted well to the new routines. Thanks to families too, for helping us to keep everyone safe by following the rules we have put in place. We have decided not to open to more children for the last two weeks of the school year. Children that are in now, will stay in until the end of term – 16.07.20.

All of our staff will be back at work full time from next week. We will be finishing everything off that needs to be done this school year, and preparing for the new school year. We have a lot of training planned, and risk assessments that need to be completed.

The government has announced that all schools will open as normal in September. We have just been issued with guidance to help us to prepare for this, and will be spending some time in the next two weeks getting ready. **If you have a child due to start in either nursery or reception next school year, we will be sending you some more information soon about how this will work,** along with their start dates and times.

We are still setting weekly challenges for children to work through at home for the next two weeks. Visit the school website ([www.hyndburnpark.lancs.sch.uk](http://www.hyndburnpark.lancs.sch.uk)) and click on the team pages. Here you will find the weekly challenges, plus some feedback on the previous week's challenges. Thank you so much for supporting their learning at home for all of these weeks.

With all good wishes to you, your family and your friends. Stay safe and well.

Yours sincerely,

Ms W E Tracey  
Headteacher
