Dear Parents/Carers,

Before the Covid lockdown, we were looking to improve our after school club provision arrangement. As you may know, children requiring After School Club facilities are accompanied to West Green Primary School, where the club is located, at the end of the day (this is the club that runs from 3:30 - 6:00 each evening). The company that were providing the service (Grass Roots) have since ceased trading.

West Green have located a new provider that can offer a more exciting and better organised club. They are called EnergyKidz. They run lots of different children's clubs across the country. You can learn more about them by visiting <https://www.energy-kidz.co.uk/>

They organise themed, fun and well-planned activities for the kids to enjoy each evening and also provide a healthy snack and a light tea. Each session costs £13.25 (but remember childcare vouchers or the Tax-Free Childcare scheme can be used to decrease the price by at least 20%). This company gives you the option of booking regular sessions (same days each week) or ad hoc sessions (as and when needed subject to availability).

However, before we go ahead with EnergyKidz, we need to check that there is enough interest.

So, if you are interested in signing your children up for this club please fill in the survey below.

NB: this is only an indication at this point to see whether it is feasible; it will not be considered a commitment.

Yours sincerely
